29. Roger Frison-Roche	FRA	68.31	62.41	130.72

* due to an obvious calculation (or typing) error Wirgil Rieder was put at the 4th place, with exactly 10 points more than he actually scored. Also, James Gardner finished ahead of Maurice Lafforgue among the juniors, and Ovin Ahlstad was 17th and not 19th as was originally reported.
