1. Resi Hammerer	AUT			150.95	
2. Lydia Gstrein	AUT			168.25	

* German racers were not allowed to compete for 5 years after the World War II. To bypass this restriction, organizers enlisted them in category of “tourist guests”, which was frequent for many Swiss races, notably Parsenn Derby. Now, after so many decades, we may disregard this obstacle, and include their results among the official ones, albeit hors concours.
