14. Andreas Wenzel	LIE	30.49	(3)
15. Sepp Ferstl	GER	30.60	(29)

*In the first run Stenmark had almost straddled the gate twice, stopped on one ski, "unstraddled" the other off the gate, and went on. It took him about a second and a half each time for this show, which means that he made up about half a second till the split time and then another half a second till the end of the first run!!
